

MOFFITT CANCER CENTER

FACULTY MEMBER, SENIOR ADULT MEDICAL ONCOLOGIST

Moffitt Cancer Center is seeking a junior clinical investigator in the Senior Adult Oncology Program (SAOP). The position involves clinical and translational research in Geriatric Oncology with mentorship from the senior faculty of a leading program in the field, management of cancer in older persons in the SAOP clinic, and the teaching of oncology and medicine residents. This position will design and conduct investigator-initiated trials targeting older cancer patients. A significant publishing activity is expected. This position will provide outpatient consultations in the SAOP clinic, inpatient rounding and medical oncology expertise in the field of geriatric oncology. Additionally this role will provide education and training to the University of South Florida fellows, residents and students.

Moffitt Cancer Center & Research Institute is a US News top 10 cancer hospital and Florida's only NCI-designated Comprehensive Cancer Center. We are expanding our faculty to meet substantial institutional growth. The Cancer Center is comprised of a large, 3 facility ambulatory care practice, a 206-bed hospital, with a 36-bed blood and marrow transplant program, 15 state of the art operating suites, a 30 bed intensive care unit, a high volume screening program, and a basic science research facility.

Requirements

Candidates must be Board Certified/Board Eligible and fellowship trained in an oncology-related specialty. Academic rank is commensurate with qualifications and experience. As a reflection of its hybrid

The Tampa Bay Area is home to nearly 3 million people and is an ideal place to live with a year-long warm, sunny climate, reasonable costs of living and no state income tax. Many residents live on the beautiful waters of Tampa Bay or the Gulf of Mexico. We are within an hour drive to world renowned theme parks and some of America's top beaches. Tampa offers a significant variety of arts and culture, dining and several professional sports teams. We live where others vacation!
