

Guidelines for poster presentation

General information

Your paper has been selected for a poster presentation at the SIOG 2026 Annual Conference. Note that you are not expected to prepare an oral presentation. You must be in front of your hardcopy poster during designated poster viewing times to informally discuss your research with interested attendees and answer their questions. Outside the designated times, your poster will be displayed as well and available for viewing.

The posters will be displayed in two locations:

- Gran Lobby (Ground Floor)
 - Track 1: Therapeutic trials in geriatric oncology
 - Track 2: Biology and epidemiology of cancer and aging
- Terra Room (1st Floor)
 - Track 3: Implementation strategies in geriatric oncology
 - Track 4: Supportive care in older adults with cancer
 - Track 5: Education to improve geriatric oncology knowledge and practice

All poster viewings will be held in the **Poster Area** at the following dates and times.

- Friday, November 6, 2026, 10:15- 10:45 and 16:15- 16:45
- Saturday, November 7, 2026, 10:30 – 11:00 and 16:15 – 16:45

Below are the important technical specifications and guidelines to consider when preparing your poster.

Technical specifications

Poster boards are 100 cm wide by 250 cm high. Posters boards have a portrait orientation (vertical).

- We suggest you prepare an A0 size poster (84,1 cm x 118,9 cm), so that it hangs at the eye-level height of the audience.
- Double-face tape will be provided at the Poster Helpdesk to fix the posters.
- Set-up: you must hang your poster(s) on Thursday, 5 November between 12:00 – 20:00.
- Take-down: Posters should be removed no earlier than 17:00 from your assigned board on Saturday, 7 November. **Posters not removed by 19:00 will be recycled.**
- Posters will be organised by category.

A specific board will be assigned to your poster. Please take note of the new number allocated to your abstract. Your abstract number and your poster board number will be the same.

Examples of numbering:

1. SIOG2026-P-001

Conference name-P for poster presentation type-Abstract number

Please note that there will be no poster boards available for posters cancelled before the conference.

Official Poster Printing Service

We are delighted to give, a seamless and innovative solution to enhance your experience - our collaboration with PosterSessionOnline for an exclusive poster printing service.

For more information, please click [here](#).

Additional tips

- A [promotional toolkit](#) is available for you to announce your presentation on social media. Make sure your poster is clear, well-organised, informative, concise and includes all necessary information (title, methods, research, literature, etc.)
- Invite your colleagues and peers to attend your presentation and generate traffic in the Poster Area.
- Please remain mindful and respectful of time constraints during the viewing slots
- Remind the visitors that they can interact with you via the app if they have additional questions about your poster
- **Please note that all posters are eligible for selection for the BJ Kennedy Award for Best Poster.** Click [here](#) to learn more about the BJ Kennedy Award.
- The conference programme is viewable [here](#), and you can visit the conference website by clicking [here](#).
